

# NUUSBRIEF 3/2019

## Beste Kouga besigheidsforum lid

Die tyd van die jaar reflekteer 'n mens gewoonlik op die jaar wat verby is en neem besluite vir die toekoms.

Die Kouga Besigheidsforum is 'n platform vir besighede om sake van gemeenskaplike belang in Kouga te bevorder, ons betree ook 'n nuwe era en is baie opgewonde oor al die veranderings en verbeteringe wat in die pyplyn vir 2020 is.

Kouga is een van min streke in SA met alle infrastrukture in plek en goeie en gesonde ekonomiese klimaat. Jeffreysbaai is ook aangewys as Dorp van die jaar 2018 en Patensie was 'n finalis in Dorp van die jaar 2019 wat die pragtige KOUGA die perfekte belleging opsie maak.

Die komitee het verskeie veranderings en projekte waaraan baie aandag gegee word en een van die sake is die ledegelde. Die KBF komitee gaan die bedrae hersien en aan 'n manier dink hoe die KBF ook die Kleiner en jonger besighede kan akkommodeer om sodoende die ekonomiese klimaat te verbeter. U sal skrywes ontvang sodra alles in plek is.

Die Kouga Besigheidsforum komitee bedank ook elke lid vir die belangrike insette en kennis wat deur die afgelope jaar gedeel is.

Die Voorsitter  
Joe Ferreira

Wernich Cronje van Pabala Game Farm het ook 'n gratis naweek weg geskenk vir 'n gelukkige wenner.

# Wat is nuus in KOUGA?

## SAVING WATER IS EXTREMELY IMPORTANT

With the combined levels of Kouga's supply dams having dropped to just 35,55% this week, everyone is encouraged to increase their efforts to save water.

Kouga Municipality visited Stulting Primary in Humansdorp to raise awareness of the drought situation and empower the children with tips on how they can help to save water.

You can save up to 20 litres of water per day by not leaving the tap running when you wash your hands. Turn on the tap for rinsing only.

## KOUGA SE PLASTIEKPAD OF TE WEL "ECO - FRIENDLY ROAD"

History was being made in the Kouga Municipality as the first MacRebur Plastic Road Surface was finished and is already in use - phase 1 of Africa's first Eco Road in the world.
