

OPENING OF THE SEASON – 2019

The festive season was opened with a laser show - also a first for Kouga!

The day was filled with sports and music as well as a 5km colour run – A big thank you to Carl and Celida Trahms from Smhart for arranging the run.

The event was filled with funfair rides and ended with the extravagant laser show.

The KBF had a stall on the beachfront – A few of the KBF members sponsored the competition “Mayoral talent” that was hosted by OASIS FM.
